1.0 Introduction

The Council of Architecture (COA) has been constituted by the Government of India under the provisions of the Architects Act, 1972, enacted by the Parliament of India, which came into force on 1st September, 1972. The Act provides for registration of Architects, standards of education, recognized qualifications and standards of professional conduct and etiquette to be complied with by the architects. The Council of Architecture is vested with the responsibility to regulate the education and practice of profession throughout India besides maintaining the register of architects. For this purpose, the Government of India has framed Rules and Council of Architecture has framed Regulations as provided for in the Architects Act, with the approval of Government of India.

Any person desirous of carrying on the profession as 'Architect' must have registration with Council of Architecture. For the purpose of registration, one must possess the recognized qualification as appended to the Architects Act, after having undergone the education in accordance with the Council of Architecture Minimum Standards of Architectural Education Regulations. The registration with Council of Architecture entitles a person to use the title and style of Architect, for practising the profession of architecture. If any person falsely represents or claims to be registered architect or uses any words or letters to suggest that s/he is an architect or misuses title and style of architect, such acts tantamount to committing of a criminal offence punishable under the Architects Act, 1972.

The practice of profession of an architect is regulated under the Architects (Professional Conduct) Regulations, 1989 (as amended in 2003), which prescribe the professional conduct, ethics and etiquette, conditions of engagement and scale of charges, architectural competition guidelines etc. Pursuant to these Regulations, the Council of Architecture has framed guidelines governing the various aspects of practice. There are about 450 institutions presently imparting architectural education in India leading to recognized qualifications. The standards of education being imparted in these institutions (constituent colleges/departments of universities, deemed universities, affiliated colleges/schools, IITs, NITs and autonomous institutions) are prescribed and monitored by Council of Architecture by way of Regulations and norms & standards prescribed from time to time which set forth the requirement of eligibility for admission, course duration, standards of staff & accommodation, course content, examination etc. These minimum standards as prescribed by the Council are required to be maintained by all the institutions. The COA oversees the maintenance of the standards periodically by way of conducting inspections. The COA is required to keep the Central Government informed of the standards being maintained by the institutions and is empowered to make recommendations to the Government of India with regard to recognition and/or

de-recognition of a qualification. As per the Minimum Standards of Architectural Education Regulations, qualifying in an aptitude test in Architecture is mandatory for admission to B.Arch. degree course. Hon'ble Madras High Court vide order dated 21.07.2003 in W.P.No.9707 of 2003, had held the aptitude test as a mandatory requirement.

2.0 About NATA 2017

National Aptitude Test in Architecture (NATA) is being conducted by COA since 2006, in terms of the provisions of CoA (Minimum Standards of Architectural Education) Regulations, 1983, published in the Gazette of India. It is implied that a separate aptitude test in Architecture should be conducted and such test should not be combined with the tests for admissions to Engineering, Pharmacy, Medicine and other disciplines. Being the competent authority for fixing norms and standards for architectural institutions, COA has the necessary expertise to hold a Common Aptitude Test in Architecture, at national level to provide a single window system for appearing in aptitude test and to facilitate institutions, students and public at large for admission to First year of 5 year B.Arch. Degree Course at all recognized Institutions all over country.

The purpose of conducting NATA is to provide a single scheme of examination for holding aptitude test and to facilitate prospective students all over the country to apply for admissions in architecture seats in institutions spread across the country and to avoid appearing in multiple aptitude tests. However, the actual admissions shall be carried out only by the concerned competent authorities of the respective states/institutions based on NATA. The NATA also ensures that the eligibility criteria for admission to five year Bachelor of Architecture (B.Arch.) degree course, as prescribed by CoA and duly approved by the Central Government, are strictly adhered to and followed all over the country in Architectural Institutions.

NATA measures the aptitude of the applicant for specific field of study, i.e. Architecture. The test makes an assessment of drawing and observation skills, sense of proportion, aesthetic sensitivity, Mathematics and critical thinking ability that have been acquired over a long period of time and are related to the specific field of study.

In order to further strengthen the conduct of the test and to attract more number of bright aspirants into studying Architecture, COA has decided to conduct NATA-2017 for admission to B.Arch. in the academic session 2017-18, as a one-day paper based examination all over the country. This would surely be a step towards producing competent architects to serve the society and to build the nation in coming decades, especially in view of the Govt. of India mission of Smart Cities.

3.0 Schedule of Examination

Date & Time of Examination	Subject and Marks of Examination	
16.04.2017 (Sunday) 11.00 a.m. to 2.00 p.m. (Grand Total of 200 marks)	FIRST 90 minutes TOTAL 120 Marks	
	Mathematics (MCQ)	20X2 = 40 Marks (OMR BASED)
	General Aptitude (MCQ)	40X2 = 80 Marks (OMR BASED)
	LAST 90 minutes TOTAL 80 Marks	
	Drawings (TWO SETS) in A4 Size paper 2X 40 = 80 Marks	

N.B. No further examination shall be held under any circumstances for those who will be unable to appear on the scheduled date and time of NATA-2017 examination.

4.0 Pattern of Questions and Mode of Answering

All the booklets will be served at the beginning in one folder. MCQ answer sheet (OMR) will be withdrawn after 90 minutes. It is to be noted carefully that the candidates must fill in as well as bubble in ALL the relevant information including the “Question Booklet No” at the indicated places on OMR Answer Sheet, Drawing Sheets and Attendance Sheet during examination.

Questions and all instructions will be available only in English medium.

Syllabus for NATA-2017 is given in **APPENDIX – I**.

Subject	Distribution of Marks	Total Marks
Mathematics (20 Qs)	20 x 2	40
General Aptitude (40 Qs)	40 x 2	80
Drawing (2 Qs)	2 x 40	80
	TOTAL	200

4.1 Mathematics & General Aptitude Test

Only one option is correct and correct response will yield 2 (two) marks. There is no negative marking, but wrong answering will be penalized in case of tie breaking, as elaborated below.

Answers to both parts must be provided on same OMR sheet, which is specially designed machine readable response sheet. **ANSWERS ARE TO BE MARKED (BUBBLED) USING BLUE/BLACK BALL POINT PEN ONLY ON THE ‘OMR ANSWER SHEET.’**

4.2 Drawing Test

Candidate has to attempt two questions within 90 minutes. The drawing aptitude is judged on the following aspects -

- Ability to sketch a given object proportionately and rendering the same in visually appealing manner;
- Visualising and drawing the effects of light on the object and shadows cast on surroundings;
- Sense of perspective drawing;
- Combining and composing given three dimensional elements to form a building or structural form;
- Creating interesting two dimensional composition using given shapes and forms;
- Creating visual harmony using colours in given composition;
- Understanding of scale and proportions;
- Drawing from memory through pencil sketch on themes from day to day experiences.

The Answer to each question in the 'drawing' paper will be examined by more than one examiner independently and the marks are to be averaged. The primary emphasis in scoring the drawing section is on the candidate's drawing, imagination and observation skills. The candidate's sense of proportion and perspective are also evaluated together with sense for colour and composition.

4.3 Tie breaking rules for overall score

Unified merit list of candidates will be published in NATA-2017. During merit listing, all candidates would get unique rank. Therefore, if more than one candidate gets the same overall marks, tie breaking logic would be applied in the following order:

1. More overall marks obtained in Mathematics test component
2. Less wrong answers in attempted ones of Mathematics test component
3. More overall marks in problems of Aptitude test component
4. Less wrong answers in attempted ones of aptitude test component
5. Earlier date of birth

5.0 Eligibility Criteria for Candidates

5.1 Taking NATA-2017

The lower age limit of the candidate is 17 years as on 31.07.2017.

Candidates may come from the following backgrounds:

- (a) 10+2 or equivalent passed/appearing with Mathematics as one of the subjects of examination;
- (b) 10+3 Diploma (any stream) passed/appearing recognized by Central/State Govts with Mathematics as one of the subjects of examination;
- (c) International Baccalaureate Diploma passed/appearing, after 10 years of Schooling with Mathematics as compulsory subject of examination.

NOTE: EVEN AFTER EXAMINATION OR ADMISSION, OR DURING ANY STAGE THEREOF, IF IT IS FOUND ON SCRUTINY THAT AN APPLICANT IS UNDER AGE, i.e. BELOW 17 YEARS AS ON 31.07.2017 OR OTHERWISE INELIGIBLE, HIS/HER NATA-2017 SCORE WILL BECOME VOID.

5.2 Admission to First year of B.Arch. course

QUALIFYING IN NATA-2017 DOES NOT CONSTITUTE A RIGHT/ GUARANTEE IN FAVOUR OF THE CANDIDATE FOR HIS/HER ADMISSION TO ANY ARCHITECTURE COURSE UNLESS HE/SHE HAS FULFILLED ALL THE PRESCRIBED REQUIREMENTS AS SPECIFIED BY RESPECTIVE COUNSELLING AND ADMISSION AUTHORITIES.

Only candidates who have the following credentials shall be eligible for admission to B.Arch. Course.

- i. Qualified a recognized aptitude test in Architecture (NATA or equivalent) in 2017 OR qualified in NATA-2016 AND
- ii. Have gone through any of the following curriculum with marks as prescribed below:
 - (a) Secured 50% marks in 10+2 or equivalent examination with Mathematics as one of the subjects;
OR
 - (b) 10+3 Diploma (any stream) recognized by Central/State Govts with 50% aggregate marks with Mathematics; OR
 - (c) International Baccalaureate Diploma passed/appearing, after 10 years of Schooling with 50% marks in aggregate and with Mathematics as compulsory subject of examination

No direct lateral admission is allowed at any other year/stage of B.Arch. course based on any qualification.

The interpretation of NATA-2016 score of candidates is explained later in Section 10.2.

5.3 Reservations under different categories

NATA-2017 is a qualifying examination where a general merit list will be published along with score of candidate. Reservation is a prerogative of the admission/ counselling authority and this examination has nothing to do with it. However, candidates with specific disability of colour blindness may be debarred from admission to B. Arch. Course, as per the policy of the respective institution/ University.

6.0 Application Procedure

Application has to be filled up ONLINE at the NATA portal of NIC <http://www.nata.nic.in>

Candidates need to visit the portal and CLICK the requisite link ONLINE APPLICATION NATA– 2017 and thereafter will be directed to the actual application form. The form is interactive in nature and the fields required to be filled up are categorized in different sub-sections. The fields super-scribed with * **MUST be filled up as they are MANDATORY, otherwise the application will NOT get submitted.**

The application form is broadly categorized into three steps: filling of **PERSONAL DETAILS; DOCUMENT UPLOADING & FEE PAYMENT**. Please see **Appendix-IV** for detailed guidelines on fields to be entered at the time of online form filling.

Candidates need to fill in the first part i.e. PERSONAL DETAILS and will thereafter be directed to DOCUMENT UPLOADING. Once the documents are successfully uploaded, the system enters into the FEE PAYMENT. Finally, the candidate must take a printout of CONFIRMATION PAGE generated upon successful fee payment for their own record. **There is no need to send any document by post.**

6.1 Application form

Filling up of fields will be interactive in nature. As soon as the cursor is taken to a certain field, a cursor tip MESSAGE will be shown to the candidate to assist in filling up. In case of difficulty, the HELP icon placed right next to the field will redirect the candidate to that section of the Brochure which deals with the filling up of the said field. Please note that the **applicant name, father's name, mother's name, postal address and date of birth taken together must be unique for each application.**

On completion and submission of the PERSONAL DETAILS, the system will generate a unique **7-digit numeric APPLICATION NUMBER** for the candidate. The candidate has to choose a **PASSWORD** and keep it as guarded secret for all subsequent entries into their domain. A **SECURITY QUESTION AND ANSWER** will be captured from the candidate by the system at this stage. Candidate has to remember this question-answer pair for prompt retrieval of password in case it is forgotten at later stage. Once an Application Number is

generated and the password is chosen, the candidate may logout of the system. The candidate will need to enter the system subsequently for various reasons as given below:

- Accessing and editing personal information (till going to the document upload stage)
- Uploading of images.
- Printing of e-Challan for Bank / performing fee payment through EPG.
- Printing of the Confirmation Page.
- Correction to data during dates specified by the Council, if needed.
- Viewing of OMR answer sheet and result details after examination.

The candidate has to use this system generated Application Number and chosen password for subsequent login to the system for all subsequent accesses to the system. Therefore it is very important for the candidate to note down the application number and password. It is also important to note the **security question** and the answer pair for retrieval of password in case the candidate forgets the chosen password. So the candidate must note down the security question and answer for future reference.

6.2 Image uploading

All candidates are required to upload the following images:

1. **Recent coloured Passport sized Photograph**
2. **Left Thumb Impression (LTI) Impression should be very clear neither fade nor submerged with ink.**
3. **Own Signature**

Documents have to be in **jpg / jpeg format**. The page size of document is to be in A4 format. Following are the details regarding the size and dimension of the documents:

Document	Storage size		Image dimension	
	minimum	maximum	Height	Width
Photograph	4 KB	100 KB	4.5 cm	3.5 cm
Left thumb impression	1 KB	30 KB	1.5 cm	3.5 cm
Signature	1 KB	30 KB	1.5 cm	3.5 cm

6.3 Application Fee Details

Irrespective of his/her category and gender, a candidate applying for NATA– 2017 has to pay INR **1250/- (Rupees one thousand two hundred fifty only)** as application fee, through ONLINE mode. The candidate, on successfully uploading the PERSONAL DETAILS and DOCUMENTS; will be directed to the webpage containing process of payment of application fee as per the following options. **Service charges, as applicable, would be payable along with fees at the bank.**

1. **Payment through EPG:** The candidate has to click “Payment of fee using EPG services”, the system will automatically redirect to Billdesk payment gateway page. As per the candidate's convenience, he/she may select any of the options to pay the application fee through **electronic payment gateway via debit card, credit card or net banking** and follow the online instructions to complete the payment process. After successful payment, payment gateway will redirect the candidate to home page that will show the status of fee payment. Upon successful payment, the candidate will be able to print the final "Confirmation Page".
2. **Payment through ICICI Bank e-Challan:** Attempt is being made to integrate ICICI Bank e-Challan as another payment option. In that option, the candidate has to select “**ICICI Bank e-challan**” to submit the application fee through bank. As soon as he/she selects it, an **e-Challan** will be generated containing details of the candidate. The candidate has to take a printout of the same and take it to the nearest **Core Banking Service (CBS) facility enabled Branch of the Bank** for making **payment**. After payment, the candidate has to login to the system and upload the details written on the e-Challan (Journal No., Branch Name and Date etc.) by the bank official. Only when the payment details are uploaded, the Confirmation Page will be generated.

6.4 Confirmation Page (A proof of REGISTRATION)

The **Confirmation Page** is generated upon successful payment of Application Fee. Its generation means that the candidate has been successfully REGISTERED. The candidate should take a printout and preserve the confirmation page for future reference. **There is no need to send any document to the Council by post.**

7.0 Filling up of Application Form

The online filling-up of the Application Form is interactive in nature and online guidance will be available to the candidate while filling up the form. Please refer to **APPENDIX-III** and **APPENDIX-IV** for detailed guidelines on filling up the form.

7.1 Discrepancy and correction (By Candidates)

Normally, it is expected that the candidate has filled up all details correctly before proceeding to next stage. However, in case corrections are needed, there will be a window period during which the candidates would be allowed to change their data. **No further changes would be entertained beyond this stipulated window period.** The candidate is required to enter their domain **by typing the Application Number and password in the specified space** through www.nata.nic.in for getting intimation regarding any discrepancy about the data or uploaded documents by the Council. **Candidates would also be intimated over phone depending on the criticality of the mistakes.**

As per **activity no. 7 indicated in APPENDIX-VI**, candidates may change their credentials and upload new certificates as per changed credentials during the mentioned period. **No error correction will be normally entertained after this stipulated period.**

8.0 Issue of Admit Card

For each Applicant, an Admit Card will be generated indicating the allotted Examination Centre for **NATA - 2017** and a downloadable version of the admit card will be published on the respective webpage of the candidate concerned. **An Examination Roll Number will also be generated for each candidate.**

Candidate has to **download the soft copy of the Admit Card** from the website and **has to appear in the examination with a printed hard copy at the concerned Examination Centre indicated** in the downloaded Admit Card on production of the same along with **Identical one copy of (a) Original photograph (same as uploaded) and (b) One photo identity card e.g. Voter Card, Pan Card, Aadhar Card, Driving Licence.**

Candidates must ensure that the photograph and signature printed on the admit card are not mutilated / distorted / soiled even by accident. Candidates with such mutilated / distorted / soiled admit cards will not be allowed to appear in NATA-2017.

Candidates are advised to retain their admit cards carefully in secured place in undamaged condition in all respects as stated above till the completion of admission procedure.

All applicants who appear to be prima facie eligible shall be provisionally permitted to sit for NATA-2017. If, after scrutiny at any stage, it is found that an applicant is otherwise ineligible, his/her candidature shall be cancelled even if he/she has appeared in NATA-2017 and secured a position in the merit list.

The candidature shall also be cancelled if he/she fails to produce any of the required documents in original for fulfilment of eligibility and other criteria as specified earlier **during counselling and physical admission and subsequent registration in respective affiliating institution.**

9.0 Allocation of Examination Centre

The allocation of examination centre spread across all state capitals and other selected cities subject to availability of at least 250 students in general. Cities will be based on the choices given by the candidate during online form fill-up. However, **discretion of the Council in allocation of examination centre shall be final.** No request for change of allocated center will be entertained under any circumstances. List of city-wise examination zones is given in **APPENDIX-V.**

10.0 Declaration of Results

10.1 Rules for scrutiny / review of Answer Sheet

After the examination, model answers to MCQ portion would be available in public domain for feedback from all concerned. Thereafter, the answers will be frozen by a set of reviewers not connected with the paper setting / moderation process.

Before publication of results, the response sheets of each candidate will be uploaded along with subject wise mark(s) secured. Candidates may request for rechecking of the machine recorded responses online by **payment of 1000 INR per response (Question)** within stipulated period of time. Council will consider all such cases **prior to result publication**.

No review will be available for the drawing test. Further, there will be **no provision for post publication scrutiny and /or review** and hence will not entertain any such request after the result publication.

10.2 Result format

Results will be available in the website <http://www.nata.nic.in> , and some other websites which will be announced in various electronic/printing media before declaration of results.

The result will be available in three formats:

1. Marks obtained out of 200 and in each component
2. Merit listing – unique based on marks and tie breaking rules (mentioned in Section 4 above)
3. Percentile score based on the merit listing

Qualifying marks for NATA-2017 would be based on the following rules:

1. At least 25% must be secured in MCQ portion (30 out of 120)
2. At least 25% must be secured in Drawing portion (20 out of 80)
3. Overall qualifying marks (out of 200) would be based on post-exam statistics and at the discretion of the Council.

Candidate will not qualify in NATA-2017 unless (s)he satisfies all three conditions mentioned above.

An attempt will be made to normalize (with respect to NATA-2017) the score of NATA-2016 qualified candidates seeking admission in the session 2017-18 in order to specify their position in order of merit for counselling purposes. Such guidelines would be based on statistical analysis and the Council's decision would be final in this regard.

10.3 Validity of NATA-2017 score

NATA-2017 score shall be valid only for admission in the session 2017-18.

11.0 Interpretation & Legal Jurisdiction

- In case of any dispute regarding interpretation of any clause in this brochure, the interpretation of Council shall be final and binding.
- All matters pertaining to conduct of NATA–2017 shall fall within the jurisdiction of Courts situated in Delhi only.
- The Council will not be a party pertaining to any dispute arising in the process of admission to any course of study through NATA– 2017.

12.0 Procedure for conduct of Examination:

Important procedures to be followed during the conduct of examination are specified in **APPENDIX-II**. Please also refer to **APPENDIX-III** for necessary information.

APPENDIX I - Syllabus for NATA-2017

Subject		Questions	Marks	Mode of Exam
Mathematics & General Aptitude	Mathematics	20	40	MCQ (OMR based)
	General Aptitude	40	80	MCQ (OMR based)
Drawing test		02	80	Paper and Pencil

MATHEMATICS

Algebra: Definitions of A. P. and G.P.; General term; Summation of first n-terms of series $\sum n, \sum n^2, \sum n^3$; Arithmetic/Geometric series, A.M., G.M. and their relation; Infinite G.P. series and its sum.

Logarithms: Definition; General properties; Change of base.

Matrices: Concepts of $m \times n$ ($m \leq 3, n \leq 3$) real matrices, operations of addition, scalar multiplication and multiplication of matrices. Transpose of a matrix. Determinant of a square matrix. Properties of determinants (statement only). Minor, cofactor and adjoint of a matrix. Nonsingular matrix. Inverse of a matrix. Finding area of a triangle. Solutions of system of linear equations. (Not more than 3 variables).

Trigonometry: Trigonometric functions, addition and subtraction formulae, formulae involving multiple and submultiple angles, general solution of trigonometric equations. Properties of triangles, inverse trigonometric functions and their properties.

Coordinate geometry: Distance formula, section formula, area of a triangle, condition of collinearity of three points in a plane. Polar coordinates, transformation from Cartesian to polar coordinates and vice versa. Parallel transformation of axes, concept of locus, elementary locus problems. Slope of a line. Equation of lines in different forms, angle between two lines. Condition of perpendicularity and parallelism of two lines. Distance of a point from a line. Distance between two parallel lines. Lines through the point of intersection of two lines. Equation of a circle with a given center and radius. Condition that a general equation of second degree in x, y may represent a circle. Equation of a circle in terms of endpoints of a diameter. Equation of tangent, normal and chord. Parametric equation of a circle. Intersection of a line with a circle. Equation of common chord of two intersecting circles.

3-Dimensional Co-ordinate geometry: Direction cosines and direction ratios, distance between two points and section formula, equation of a straight line, equation of a plane, distance of a point from a plane.

Theory of Calculus: Functions, composition of two functions and inverse of a function, limit, continuity, derivative, chain rule, derivative of implicit functions and functions defined parametrically. Integration as a reverse process of differentiation, indefinite integral of standard functions. Integration by parts. Integration by substitution and partial fraction. Definite integral as a limit of a sum with equal subdivisions. Fundamental theorem of integral calculus and its applications. Properties of definite integrals. Formation of ordinary differential equations, solution of homogeneous differential equations, separation of variables method, linear first order differential equations.

Application of Calculus: Tangents and normals, conditions of tangency. Determination of monotonicity, maxima and minima. Differential coefficient as a measure of rate. Motion in a straight line with constant acceleration. Geometric interpretation of definite integral as area, calculation of area bounded by elementary curves and Straight lines. Area of the region included between two elementary curves.

Permutation and combination: Permutation of n different things taken r at a time ($r \leq n$). Permutation of n things not all different. Permutation with repetitions (circular permutation excluded). Combinations of n different things taken r at a time ($r \leq n$). Combination of n things not all different. Basic properties. Problems involving both permutations and combinations.

Statistics and Probability: Measure of dispersion, mean, variance and standard deviation, frequency distribution. Addition and multiplication rules of probability, conditional probability and Bayes' Theorem, independence of events, repeated independent trials and Binomial distribution.

GENERAL APTITUDE

Objects, texture related to architecture and built environment. Interpretation of pictorial compositions, Visualizing three-dimensional objects from two-dimensional drawing. Visualizing different sides of 3D objects. Analytical reasoning, mental ability (visual, numerical and verbal), General awareness of national/international architects and famous architectural creations.

Mathematical reasoning: Statements, logical operations like and, or, if and only if, implies, implied by. Understanding of tautology, converse, contradiction and contrapositive.

Sets and Relations: Idea of sets, subsets, power set, complement, union, intersection and difference of sets, Venn diagram, De Morgan's Laws, Relation and its properties. Equivalence relation — definition and elementary examples.

DRAWING TEST

Understanding of scale and proportion of objects, geometric composition, shape, building forms and elements, aesthetics, colour texture, harmony and contrast. Conceptualization and Visualization through structuring objects in memory. Drawing of patterns - both geometrical and abstract. Form transformations in 2D and 3D like union, subtraction, rotation, surfaces and volumes. Generating plan, elevation and 3D views of objects. Creating 2D and 3D compositions using given shape and forms. Perspective drawing, Sketching of urbanscape and landscape, Common day-to-day life objects like furniture, equipment etc., from memory.

APPENDIX II - Procedures to be followed in the Examination

1. The Examination Hall will be opened 30 minutes before the commencement of the test. Candidates are expected to take their seats immediately after the opening of Examination Hall. If the candidates do not report in time, they are likely to miss some of the general instructions to be announced in the Examination Hall. No candidate will be allowed in examination hall after 15 minutes of commencement of test.
2. **Candidate must bring with them:**
 - i. Downloaded Admit Card of NATA 2017,
 - ii. One copy of photograph, same as the one uploaded;
 - iii. Black / Blue Ball Point Pen, pencil, eraser, colour pencils (Not water/oil colour or crayon)
 - iv. Candidates are advised to bring with them a cardboard or a clip board on which nothing should be written, so that they have no difficulty in filling responses in the Answer Sheet even if the tables provided in the examination room/hall do have smooth surface.
3. **Candidates must show** on demand the Admit Card (NATA-2017) for admission to the Examination Hall. A candidate not possessing print out of the downloaded admit card along with the photograph and one photo identity proof **shall not be allowed to enter in the Examination Hall by the Center-in-Charge.**
4. A seat indicating Roll No. will be allocated to each candidate. Candidates must find out and occupy their allocated seat.
5. **Candidates are not allowed to carry any textual material, printed or written, bits of papers or any other material except those listed under. SL.No.-2 inside examination Hall.**
6. **Mobile Phones, Bluetooth devices, Calculators, Slide Rules, Log Tables, Electronic Watches with facilities of Calculator are not allowed in the Examination Hall. Possession of such items during the Examinations may lead to cancellation of candidature.**
7. No candidate, without the special permission of the Centre-in-Charge or the invigilator concerned, will leave his/her seat or Examination Hall until the duration of examination for a paper is over. Candidate should not leave the hall without handing over their OMR sheet to the invigilator on duty; this may otherwise lead to cancellation of the concerned paper.
8. It is to be noted carefully that the candidates must write the "Question Booklet No." at the indicated places both on the OMR Answer Sheet and Attendance Sheet during examination.

Otherwise his/her OMR Answer sheet in the concerned subject will be cancelled.

9. Candidates shall maintain silence during the examination. Any conversation or gesticulation or disturbance in the examination hall shall be deemed as misdemeanour. If a candidate is found adopting unfair means, his/her candidature shall be cancelled and he/she will be liable to be debarred from taking examination either permanently or for a period according to the nature of offence.

If a candidate is found impersonating, his/her candidature will be cancelled outright and the concerned examinee will be handed over to the Police.

APPENDIX III - DOs AND DON'Ts

Dos

1. **Read the online instructions carefully before filling-in of the Application Form online.**
2. **Specify all personal information, address and date of birth correctly.**
3. **Remember your application number, security question/answer and password.**
4. **Choose the examination zones correctly.**
5. **Upload colour photograph, LTI and signature with specified size only**
6. **Retain a copy of the Confirmation Page.**
7. **Enter the examination hall only with your Admit Card, one photograph and blue/black ball point pens.**
8. **For drawings, use own pencils and coloured pencils.**
9. **Submit the OMR Answer Sheet to the Invigilator after completion of each session of Examination.**
10. **Write the Question Booklet No. in specified places on both the OMR Answer Sheet and Attendance Sheet.**

Don'ts

1. **Don't divulge your application number, security question/answer and password to anybody.**

APPENDIX VII - Version Control

V1.0: (released on 15-12-2016) This is the first version, generated by compiling information from previous NATA brochure, procedures followed for offline exams in general.

V1.1: (released on 23-12-2016) In this version,

- The starting date of registration has been changed from 24th Dec, 2016 to 4th Jan, 2017 under unavoidable circumstances. Accordingly, entries 2-5 and 7 in the Table showing important dates in Appendix-VI have been modified.
- A clause clarifying the validity of NATA-2017 score has been added as Section 10.3.
- Some changes are made in the registration form in Appendix-IV.

V2.0: (released on 30-12-2016) In this version,

- The starting date of registration has been preponed to 2nd Jan, 2017, accordingly entry 2 in the Table showing important dates in Appendix-VI has been modified.
- Under Section 4.0, distribution of weightage between Mathematics and General Aptitude Test has been modified, accordingly some changes are made in the Syllabus, Appendix-I.
- Under Appendix-V, List of Exam cities, Dubai has been added subject to conditions, with another change in cities in one of the States.
- Clarification regarding online payment of application fee through EPG has been added.

"We shape our buildings; thereafter they shape us."

- Winston Churchill
